

## **SPONSORSHIP (Sanctuary animals)**

Many of our little ones are sanctuary animals, which means they will reside here at For the Luv of Paws for their lifetime. These animals are not adoptable because they have been exposed to and/or are carriers of incurable disease, have disabilities, etc. They have special needs with regard to vet care, diet and housing. Your donations as a sponsor will be applied directly to your favorite animal's care costs.

All Sponsorships are valid for one year from date of issue.

As a sponsor, you will receive:

A personalized Sponsorship Certificate

A color photo of your sponsored animal

Mother's/Father's Day card from your sponsored animal

You are welcome to visit your sponsored animal during normal operating hours.

At this time, we have Sponsorships available for nine kitties.

Their photos are available for viewing on the Sponsorship page.

The annual fee for a kitty is \$75.00

Please fill out the Sponsor Application below and mail with check payable to:
